

Linelix ex

- Robust Design
- Durable, solid quality for hazardous environment
- Low powered safe light fitting to avoid any production of heat or spark
- Explosion proof fixtures to prevent the ignition of an atmosphere with flammable vapours and gases

Input voltage	AC220V
Power	2 X 10 W
Light Source	T8 LED TUBE
Lumen	120 - 140 lm/w depending on the tube
Protection Grade	IP66
Anti corrosion	WF2
Ex-proof Grade	ExdellBT5
